## Welcome

Dear Fellow Cattle Producers,  
I want to start off by thanking everyone for taking time to evaluate our 2025 Bull Sale offering. We're partnering with **CK Online Sales** to bring you the bulls in an online offering. As in years past, the bulls have been performance and ultra-sound tested, and that information is available for your consideration. Videos of each bull will be available on [ckonlinesales.com](http://ckonlinesales.com) as well as [brentcharolais.com](http://brentcharolais.com) the first week in March. All of the bulls have passed a breeding soundness exam performed by a licensed veterinarian, been fully vaccinated, and come with a first season guarantee. If there is anything I can do to assist with your selection, or if you would like to view the bulls in person before the sale, please call.

Thank You,

Matthew Brent
